ABOUT SUL LEAGUE	14

City Quest: London's Edition by SUL Education offers an exhilarating, one-of-a-kind summer experience for students aged 12 to 17, set at the world-renowned University College London (UCL). This immersive programme turns the vibrant city of London into a live-action adventure, where students engage in thrilling quests across the capital's most famous landmarks—think Big Ben, the British Museum, and the Tower of London! Through interactive challenges and city-wide puzzles, participants will uncover hidden historical gems, solve cryptic clues, and work in teams to overcome obstacles while soaking in London's rich culture and dynamic energy.

From scavenger hunts in Camden market to discovering the beauty of West End theatres, City Quest pushes students beyond the traditional classroom. The programme is designed to engage young minds in problem-solving, teamwork, and leadership and foster a sense of independence and confidence. Whether racing through the iconic streets of Covent Garden or navigating the maze-like alleys of the City, students will be developing critical thinking and communication skills in real-time scenarios. Alongside the urban adventures, participants will enjoy a taste of academic life at UCL, with access to world-class resources and inspirational spaces.

UCL is not just a university; it's a global powerhouse of innovation and academic excellence. Consistently ranked in the top 10 universities worldwide since 2013, UCL shares its elite status with institutions like MIT, Stanford, and Harvard. As one of the UK's top universities, UCL boasts a vibrant, diverse campus set in the heart of London, making it an ideal location for this urban adventure. Hosting City Quest at UCL gives students the rare opportunity to experience life at one of the world's leading universities, where historic architecture meets cutting-edge research in fields ranging from science to the arts.

Part of an elite academic circle that includes Oxford, Cambridge, and Imperial College London, UCL has shaped some of the brightest minds in the world. Its innovative spirit, along with its central London location, offers students a front-row seat to both academic life and the bustling city, creating an unforgettable summer adventure.

City Quest: London's Edition – What's Included

Experience a summer of adventure, learning, and exploration with City Quest: London's Edition! Here's a glimpse of what's in store:

Weekly Renowned Musicals: Every week, students will attend a top West End show, such as Matilda or Back to the Future, offering a thrilling taste of London's vibrant theatre scene.

Harry Potter Studio Tour: Explore the magic of the Harry Potter Warner Bros. Studio, where students will walk through iconic sets like the Great Hall and Diagon Alley and discover the creativity behind the films.

Sports Stadium Tours: Take exclusive tours of iconic venues such as Arsenal's Emirates Stadium or Wimbledon Tennis grounds, providing a behind-the-scenes look at the sporting world.

Full-Day Excursions: Students will also embark on fully guided day trips to historic cities like Oxford or Cambridge, visiting their world-famous universities and soaking in their academic heritage.

Evenings in London: After a day of exploration, enjoy guided evening tours of the city, including thrilling experiences like the Jack the Ripper walk, uncovering London's hidden past.

All-Inclusive Experience: The programme covers accommodation, meals, and all activities, with students staying at UCL's central London campus, giving them the perfect base for urban exploration.

Each day is packed with immersive activities, ensuring students experience the best of London while building memories that last a lifetime.

At SUL's UCL Programme, students now have the opportunity to choose between three unique creative pathways: One Take Movie, The Comic Book Lab, and the SUL StartUp Incubator.

Each course runs for two weeks and is designed to deliver a tangible result that students can proudly showcase.

In One Take Movie, participants work alongside industry professionals to create a full short film, gaining hands-on experience in acting, directing, and production.

In The Comic Book Lab, students dive into the world of storytelling and illustration, producing their very own digital comic book guided by professional artists and writers.

At the SUL StartUp Incubator, young entrepreneurs develop business ideas, refine their pitches, and present their projects in a professional-style pitch presentation.

PROGRAMMES AT UCL:

UCL Programme overview:

	 TRAVEL	All London Airports (1-1½ h.)
	 ESSENTIALS	SUL League – House competitions, badges, and weekly awards

Accommodation UCL Campbell House

TAKE MOVIE

There's something magical about the phrase, 'They did that in one take.' It conjures images of flawless execution, where every actor, every angle, and every second of the film falls into place with cinematic perfection—or perhaps it's just sheer luck. Either way, it's a moment that captivates audiences!

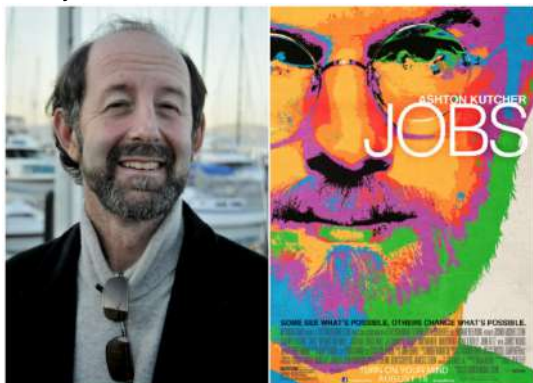

In 2026, SUL will bring that magic to life with our exhilarating *One Take Movie* program. Designed for aspiring filmmakers aged 12 to 17, this immersive experience offers young creators a rare opportunity to dive headfirst into the world of cinema.

Blending both hands-on practice and essential film theory, students will learn how to work behind the camera, master equipment, and navigate the buzz of a live set, all while gaining a deep understanding of the craft of filmmaking. But the real thrill? By the end of the course, each student will have written, shot, and edited their very own *One Take Movie*, ready for its grand debut on SUL's YouTube channel.

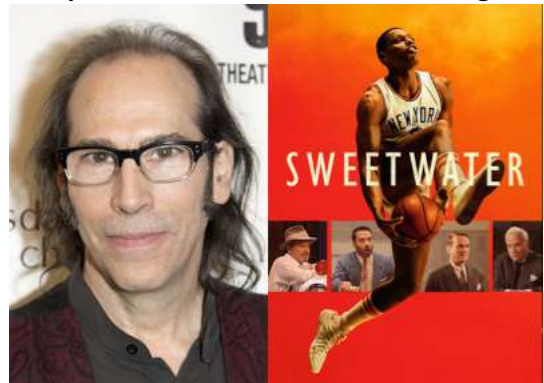

It's more than a course—it's a cinematic adventure where passion meets precision, and the result is a masterpiece captured in just one take!

Programme's ambassadors:

Hollywood Producer - David C. Traub

Hollywood Director - Martin Guigui

There's something timeless about the turn of a comic book page. Bold lines, vivid colours, and words that leap out of speech bubbles combine to create whole new worlds, where heroes rise, villains plot, and imagination has no limits.

In 2026, SUL will unleash that magic with *The Comic Book Lab*, an inspiring programme for students aged 12 to 17 who are ready to bring their own stories to life.

Guided by professional artists and writers, students will explore the full process of comic creation, developing characters, crafting storylines, mastering illustration techniques, and learning the art of visual storytelling.

And the best part? By the end of the two-week course, each participant will have created their own **digital comic book**, a professional-quality piece of work that's ready to be shared with the world.

It's more than a class, it's a creative journey where ideas take shape, panels come alive, and every student leaves as both an artist and a storyteller.

There's something electric about the spark of a new idea. One moment it's just a thought scribbled on a page, and the next it has the potential to change the world. That journey from vision to reality is the heartbeat of entrepreneurship.

In 2026, SUL will capture that energy with the *SUL StartUp Incubator*, a dynamic programme designed for students aged 12 to 17 who dream of building something of their own.

Over two exciting weeks, participants will step into the world of innovation—learning how to develop business ideas, refine their strategies, and craft compelling pitches. Along the way, they'll gain practical skills in creativity, teamwork, problem-solving, and communication.

And the highlight? Each student will present a **professional-style pitch** of their business concept, showcasing their innovation and entrepreneurial spirit.

It's more than a course—it's a launchpad where ambition meets opportunity, and every idea has the chance to take flight.

WELCOME TO THE SUL LEAGUE!

Welcome to the SUL League, a weekly fun competition where earning badges isn't just an accomplishment - it's an Amazing Experience!

These badges are more than just awards; they're a testament to students' dedication, skills, and spirit of teamwork within our vibrant community.

Here's how it works:

The Mission – Join a House, Make History. By completing tasks and challenges, students will score points for their team, pushing them closer to victory in the fierce competition to become the SUL League Champions! As they rack up points, they can also earn SUL badges and prizes! Each SUL badge comes with its unique challenges, but first...

WHICH HOUSE WILL BE YOURS?

Once students are sorted into their House, they will embark on thrilling challenges and activities designed to unlock their potential and allow them to win SUL badges and rewards!

SUL BADGES

SUL Badges are awards students can earn as members of a SUL House. They're not just for show; they represent the hard work and achievements of students as they progress through SUL's Amazing Experience! Each badge is earned by completing a set of requirements, so students should read the rules carefully to make the most of it:

Score Big, Win Big!

TEAM POINTS

As students work towards their SUL badges, every point they score contributes to their team's overall success. It's a thrilling race to see which team can amass the most points, driving everyone to push their limits and excel.

During SUL's Awards Ceremony, held at the end of the week, the team that accumulates the most points will be declared the SUL League Champion, receiving the Goblet of the Sun and an eternal place in SUL's Hall of Champions!

After SUL's Awards Ceremony, all teams' points reset to zero, and a new SUL League begins.

PERSONAL ACHIEVEMENTS

However, the excitement continues beyond team glory. Every point students earn counts towards their personal achievements. This means they're not just star players on their teams; they're also building a stellar reputation for themselves. Each badge they collect brings them one step closer to individual awards and prizes.

During SUL's Awards Ceremony, if a student earns the necessary points, they will be awarded the respective SUL badge(s), and the points relative to that specific badge will reset. Each student can only receive one badge for each category. Points earned after receiving a badge will still count towards the team's weekly results.

If a student comes close to earning a badge, there's no need to worry. Their individual points will only reset to zero every two weeks. However, only the points earned each week will count toward the team's total.

Winner of ST Star Awards 2024:

Category: ST Star Junior Course Provider for under 18yr olds
